

## PRAYER FOR CHICAGOLAND

Heavenly Father, I come to you on behalf of my block, my neighborhood, my community, the city of Chicago and the surrounding suburbs. I bless every household, business, school, local government, church, and organization. I thank you Father, that Your will is being done over the Chicagoland area. I call every corrupt activity, corrupt leader, or dishonest operation to be brought to light and corrected. I decree that we have Godly leaders with wisdom, high moral values, and insight to lead in the local governments, municipalities, and schools, in Jesus' name.

Today Lord, I choose to use my authority to speak LIFE over my community and city. I speak PROTECTION & SAFETY over every person of my community and city. I command every stray bullet to be stopped and every illegal firearm to be submitted to the proper authorities. I thank you that peoples' eyes would be opened to the truth of the Word of God, causing them to value the gift of life in themselves and in others. I call every person who is trapped in sin, into the kingdom of God. I bind every demonic stronghold over this city. I bind every witchcraft spirit that would try to control the minds of the people. I loose the spirit of PEACE over this city right now, in Jesus Name! I bind the spirit of recklessness and the spirit of worthlessness over the youth, and I call them forth into their divine PURPOSE. I speak LIFE to my generation! They shall not become dull to the Gospel of Christ, but they shall live it.

I thank you for the salvation of multitudes in this community, city, and region. I cancel every attack from the enemy meant to frustrate the people or hinder them from encountering the true living God. I thank you that the spirit of HOPE and JOY fills the hearts of every person, and the minds of all those located in the Chicagoland area. I bind the spirit of division and loose the spirit of UNITY. I thank you God that you are using me as your vessel EVERYDAY to make a change in my city and my community. I declare that I will not just go to church or wear a Christian label, but I will live UNASHAMED of the Gospel. My passion is to help others find Your love. Use me Lord to display the love of Christ to everyone that I encounter today!

Today, I speak life to my community and city and I forbid any illegal activity in this territory. I command the crime rate to drop dramatically. I bind the spirit of pride, anger, fear, and violence and I loose the spirit of love, joy, peace, and self-control. I decree that the Kingdom of God is being advanced in this region and people are experiencing a move of God like never before.

Today, hope peace, protection and love saturate the atmosphere of my home, my block, my community, and the Chicagoland area. I will continue to speak Your Word, and I refuse to let any seeds of doubt be planted in my heart. I believe that as a child of God, I have authority, and I choose to use this authority. I speak freedom over the people of this city, and whom the Son sets free, is free indeed. They will know the truth, they will live the truth, and the truth shall set them free. This is my decree...

In Jesus' Name, Amen!
