

## Healing Prayer

Father God, thank you for the healing power of your Word. I declare that by the stripes of Jesus, I am healed and made whole. No weapon of sickness or disease formed against me shall prosper. I bind the spirit of sickness and curse every virus, bacteria, or pain at the root and command it to leave my body.

Father, thank you for sending your Word and healing me. I declare that the healing virtue of God flows throughout every organ, tissue, bone, muscle and cell of my body. I command my body to produce rich, healthy white blood cells. I command my immune system to be strong and for my body to be quickened and strengthened NOW!

Father, I declare that your Word is health and healing to all my flesh. I plead the blood of Jesus over me and speak life to my spirit, soul and body. Father, thank you for delivering me out of this pain and giving me perfect health everyday of my life. I will be made whole and declare your glory, in Jesus' name. Amen!
